

Proforma regarding safe drinking water and sanitary condition

Certificate

It is certified that an inspection team headed by Mr. Ajay Kumar Singh (Gram Vikas Adhikari/Sachiv) from Punwarka Block inspected Athenia High School on 02/08/2023 and found that the Athenia High School has safe drinking water facilities for the students and members of the staff of the institution and is maintaining the hygienic sanitation conditions in the school building and the campus as per norms provided by the government of Uttar Pradesh.

The above is valid for a period of 3 years.
